**Departures prior to Arrivals:**

40-minute separation between Mail/Position (empty) flights and other flights

**Arrivals prior to Departures**

60-minute separation between Mail/Position (empty) flights and other flights

180-minute separation between Wide Body flights and other traffic

Clearance for the summer program 2021 is based on that only one (1) parking space is used

Dialogue and consensus are still sought with the airlines that wish to fly to and from the Kiruna Airport. However, negotiations will be limited due to the Swedish Transport Agency requirements/restrictions and the classification of the airport as a "smaller airport" (C-airport)

Requests for departing/arriving movements after/before below local times will be forwarded by ACS to airport management for determination of approval

KRN airport is open 0700-1700 Monday-Friday and Sunday and closed on Saturday

During the period 7-11 June and 14-18 June, incoming/outgoing traffic between these times is not allowed:

0900-1100

1300-1700

## **Parking capacity (passenger flights)**

Stand 1: J31 aircraft size

Stand 2: 738/321 aircraft size

Stand 3: H3 Widebody aircraft size

30-minute buffer between every aircraft movement per parking stand

Towing rule for stops (turn around) longer than 120 minutes

When an aircraft has more than a 120 minute stop (turn around) the following will apply to vacate the parking stand:

-30 minutes after arrival the aircraft will be towed to a remote stand

-60 minutes before departure the aircraft will be on the departure stand

**Updated - 17 mar 2021**
