

SLOT coordination charges with effect from 1st of January 2024

To Airline Operators at Copenhagen Airport - to whom it may concern!

Dear airline customer,

The budget for ACD – Airport Coordination Denmark A/S, has been approved and we are able to keep the charges unchanged for 2024, as follows:

DKK 7,60 per turn-around for runway constraints.

DKK 3,80 additional charge per turn-around for CPH Go.

DKK 11,40 total charge per turn-around for CPH Go

SLOT COORDINATION CHARGES - DKK	2020	2021	2022	2023	2024
Runway constraints (Per turn-around)	5,26 DKK	11,00 DKK	10,50 DKK	7,60 DKK	7,60 DKK
Additional charge for CPH Go (Per turn-around)	2,63 DKK	3,80 DKK	3,80 DKK	3,80 DKK	3,80 DKK
Runway constraints for CPH Go (Per turn-around)	7,89 DKK	14,80 DKK	14,30 DKK	11,40 DKK	11,40 DKK

The slot charge will apply to Copenhagen Airport and the charge will as previously be invoiced on behalf of ACD by Copenhagen Airport A/S as a specific charge per departure in addition to the airport charges.

On top of the amount collected from the operators – Copenhagen Airport A/S will continue as they have done since 1996 – to finance the other half of the costs.

ACD is a nonprofit company, and we will always be working with estimates of operations for the next 12 months, so please be aware of the fact – that the charges could either increase or decrease over the year.

Best regards

Frank Holton
