Clearance for the summer program 2025 is based on that only one (1) parking space is used.

Dialogue and consensus are still sought with the airlines that wish to fly to and from Kiruna Airport. However, negotiations will be limited due to the Swedish Transport Agency requirements/restrictions and the classification of the airport as a "smaller airport" (C-airport).

Requests for departing/arriving movements after/before below local times **will always be forwarded by ACS to airport management for determination of approval.**

KRN remains Level 2.
